

A scenic mountain landscape with a winding road in the valley and a hiker on a rocky trail in the foreground. The hiker is wearing a yellow jacket and a backpack, standing on a rocky outcrop. The background shows misty mountains and a dense forest of evergreen trees.

A gift for you ...

A donation was made on your behalf to the Mountains to Sound Greenway Trust. This generosity will help care for the incredible 1.5 million-acre landscape stretching from Seattle to Ellensburg along the I-90 corridor. The funds will help build and maintain trails, sponsor students in our education program, remove invasive weeds, plant native trees, improve endangered salmon habitat, and so much more.

This generosity will conserve and enhance this amazing place to be enjoyed now and for generations to come.
