

TRANSFORM YOUR WALK INTO A *Learning Experience*

Scan the QR codes below to learn the stories behind points of interest you will pass on your walk!

Welcome to DUVALL

This walking map was created by the City of Duvall in collaboration with Savor Snoqualmie Valley, an initiative of the Mountains to Sound Greenway Trust, and thanks to grant funds from Port of Seattle.

Physical activity is one of the best ways to prevent disease, and walking is one of the easiest ways to get started and stay healthy. Walking also helps strengthen community connections and reduces traffic congestion and pollution.

It is our hope that this map of city parks, walking routes, and points of interest will inspire you to get out, get moving, and explore all that Duvall has to offer!

Art

Duvall's quirky history of art, music, and creativity remains front and center in its downtown. This itinerary guides you through town and the dozens of installations from local artists.

History

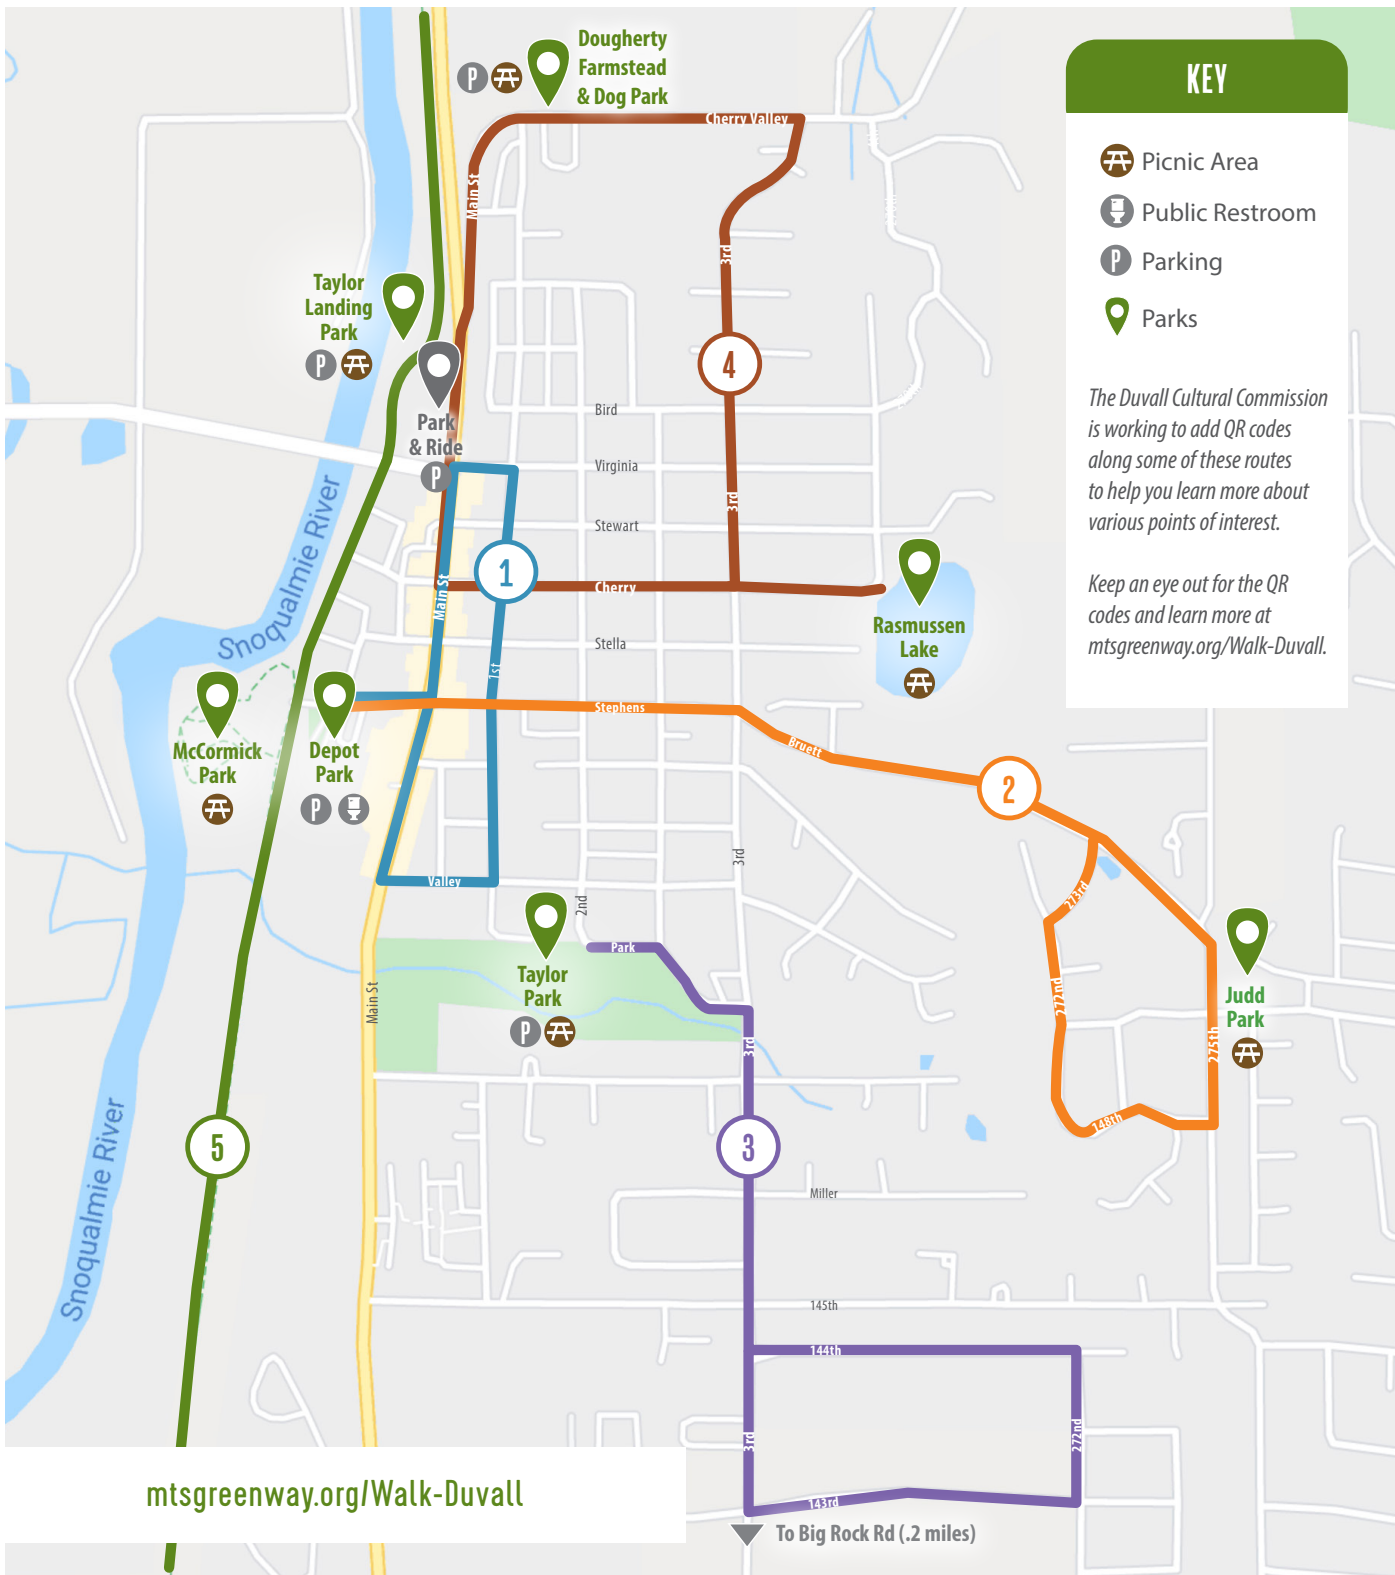

Duvall's history has many interesting stories including the moving of the town, the bailing out of graves, and the winning of a tavern in a poker game. In our fun, self-guided tour of downtown Duvall, you will learn about its historic buildings and the stories they have to share.

CITY OF DUVALL *Walking Guide*

KEY

- Picnic Area
- Public Restroom
- Parking
- Parks

The Duvall Cultural Commission is working to add QR codes along some of these routes to help you learn more about various points of interest.

Keep an eye out for the QR codes and learn more at mtsgreenway.org/Walk-Duvall.

1. MAIN STREET LOOP (1 MILE)

This route starts from Depot Park and takes you down Duvall's Main Street shopping corridor and through the Old Town neighborhood. Allow plenty of time to stop in the local shops, grab a bite to eat, and enjoy a beverage. On your walk, you'll also encounter tons of public art and historical sites (see back panel of this brochure for more info).

2. BRUETT ROAD CONNECTOR (2 MILES)

Are you eager to really get your legs moving? The Bruett Road connector is a great walkway linking the downtown area with the neighborhoods to the east. This route has a significant incline, but includes a resting bench as you near the top of the hill!

3. VALLEY VIEW ROUTE (1.8 MILES)

This mostly-level route starts at Taylor Park, which has a creek, woodlands, picnic shelter, barbecue, playground, basketball court, and trails. Sidewalks are provided on about 1/3 of this route.

4. CHERRY VALLEY LOOP (1.6 MILES)

This loop route will take you past Dougherty Farmstead, which is home to some of the oldest standing structures in the Snoqualmie Valley and is listed on the National Register of Historic Places. Have a furry friend? You'll also find a dog park there! Take the short side trip down Cherry St. to visit Lake Rasmussen, a peaceful spot for a waterside picnic. Note that there are no sidewalks on the Cherry St. portion of this route.

5. SNOQUALMIE VALLEY TRAIL (VARIES)

Head out to enjoy King County's Snoqualmie Valley Trail. This trail on a former railway line starts in Duvall and eventually continues all the way to North Bend. It is a mostly level, gravel trail running parallel through the beautiful Snoqualmie Valley. From McCormick Park south to NE 124th Street and back is approximately 4 miles. This trail is quiet and serene and is enjoyed by walkers, joggers, mountain bikers, and horseback riders.
