This event brings together hundreds of supporters from across the region to celebrate our collective accomplishments in land conservation, ecological restoration, recreation projects, and connecting people with nature in the Greenway over the past year. From corporate, civic, and nonprofit partners to agency staff, forest rangers, and trail crews, all of our guests play a role in keeping this region beautiful and accessible for everyone.

The Greenway was founded on the strength of cooperation and coalition-building, and owes its success in huge part to the many local companies and organizations who sponsor Greenway events year after year. As a sponsor of the Greenway Annual Dinner, you will be recognized for your commitment to preserving and enhancing this region's landscape, and ensuring outdoor experiences are accessible for all.

About the Mountains to Sound Greenway National Heritage Area

Thirty-five years of collaboration and hard work have tested and strengthened the vision of the Mountains to Sound Greenway. We have proven to this region and the rest of the nation that collaborative conservation, using a broad-based and inclusive coalition, can effect positive change.

Enhancing people's connections to nature drives the Greenway mission. Our coalition of community members, businesses, government agencies, and donors is joined together by the ethos that when we have meaningful connections with our natural surroundings, we are healthier and happier, our communities are stronger and more equitable, and our lives are better.

Mountains to Sound Greenway *Annual Dinner & Celebration*

Celebrating partnerships and accomplishments across the landscape

Saturday, Nov. 8, 2025 | Seattle Convention Center Summit Building
